### ***Villa of the Mysteries***

**Pompeii., Second century B.C. This is one scene from a series of wall paintings from a Roman villa at Pompeii. It is typical of Roman style painting in giving the illusion of depth, as if one were looking out of a window instead at a solid wall. It depicts a rite of initiation, perhaps the passage to adulthood of a young girl, who is seen here with her head in the lap of an older woman.**
