

ego volo iam fieri Rex
I already want to be king

ero rex potentissimus; caveant hostes
I'll be the most powerful king; enemies beware

numquam vidi regem leonem egentem capillis
I've never seen a lion king with no hair

ut nullus antea ero maximum spectaculum
I'll be the greatest spectacle, like no one before

repeto ut despiciam, moliorque gemitum
I'm practising looking down and working on my roar

adhuc haec me inspirant, vere vix!
Thus far these things inspire me, really... hardly!

ego volo iam fieri rex
I already want to be king

via est adhuc longa, regule, crede me
the road is still long, little king, believe me

nemo dicit 'fac hoc' (ubi hoc dixi)
No one says "do this" (when I said that)

nemo dicit 'mane' (en, volebam dicere)
No one says "Stay here" (Look, I meant)

nemo dicit 'satis'
No one says "enough"

nemo dicit 'audi' (audi me!)
No one says "Listen" (Listen to me!)

liberus ut percurram
free to run everywhere

ut sequar viam meam
to follow my own way

en sunt instruendi nobis una sermones
We have to have conversations together

primum aves parvos audire non debent reges
First, kings don't have to listen to little birds

huc si inclinat regnum deinde non hic manebo
If the kingdom is going this way, then I'm not staying

sine officio nec patria, en ego alium locum opto
Without duty or homeland, I'm choosing another place!

iste puer non est simplex
this boy here is not simple

ego volo iam fieri rex
I already want to be king

spectate sinistra, spectate dextra
Look left, look right

quo spectetis sto sub luce clara
Wherever you look, I'm in a bright light

aegre!
Only just!

omnis bestia se liberans cantet
Let every creature free itself and sing

clamor intra armentum personet
Let the shout resound throughout the herd

ubique rex Simba iam claret
Let King Simba now be famous everywhere

ego volo iam fieri rex
I already want to be king

ego volo iam fieri rex
I already want to be king

ego volo iam fieri rex
I already want to be king
